2016 United Way Campaign Co-Chairs**

**The Hancock County community has raised**

**\$3,266,855**

**for programs that measurably improve people's lives.**

**THANK YOU, HANCOCK COUNTY!**

*Thank you for helping families become financially stable and independent.*

United Way funding supports programs that teach budgeting skills, ways to escape poverty and how to find affordable living. Families are also learning to save money and tap into local resources to get the help they need.
