COLLECTIVE IMPACT

\$26 PER YEAR / **50¢** A WEEK

\$26 per year covers the cost of transporting Hope House for the Homeless clients to and from appointments for one month. This amount also supplies one month of HATS transportation vouchers to get to and from work, classes or important appointments.

\$104 PER YEAR / **\$2.00** A WEEK

This amount provides an hour of consultation by a Family Resource Center Prevention Educator with a *HAPPY* school team advisor. Members of the *HAPPY* youth staff and *I Am Enough* youth advisory board are building youth capacity by increasing their leadership skills.

\$260 PER YEAR / **\$5.00** A WEEK

This amount provides two Peer Support Specialists at Century Health. These specialists provide transportation to clients in need and accompany them to recovery support meetings. Often times someone is reluctant at first to participate in an unfamiliar service. The specialist works to subside any fears or uncertainty of engaging in this helpful resource.

\$26 PER YEAR / **50¢** A WEEK

This amount provides supplies, handouts and classroom materials needed to present one *Word of Mouth* program to two 5th grade classes. The Family Resource Center of Northwest Ohio presents this program to increase the students' knowledge of the dangers and consequences of alcohol, tobacco, and other drug use.

TOGETHER, we can create a Hancock County where residents thrive from McComb to Arcadia, Van Buren to Arlington, all corners of Findlay and everywhere in between. Help us build a community where every person has access to a successful and self-sufficient future.

Please give to United Way of Hancock County.
