

# BRINGING TOGETHER

## Your payroll deduction improves lives in Hancock County.

Because we believe so much in the work that United Way of Hancock County is doing, we are proud to lead the workplace fundraising movement for 2016. We want to continue to do our part to change lives and make a difference in Hancock County. You can too.

TOGETHER, we can create a Hancock County where residents thrive from McComb to Arcadia, Van Buren to Arlington, all corners of Findlay and everywhere in between. Help us build a community where every person has access to a successful and self-sufficient future.

United Way's annual workplace campaign is an ideal opportunity to connect to the programs and projects making a difference right here. Together, collectively, we can improve people's lives in Hancock County.

**2 pre-kindergartners**

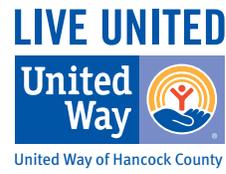

In 2015-16, because of a partnership with United Way of Hancock County and The Community Foundation, 150 children had access to pre-kindergarten. These children would not have attended preschool without this funding.
